Applying for your Private Security License is done online!

Do not go to a DPS Drivers license office to apply for your Security License.

## TOPS Application

Start Here to Apply for your  
Security License

You should apply as soon as possible and upload your training document.

Remember your firearm proficiency is only good for 90 days.

## TOPS Application Guide

Use this guide to help you apply for  
your license.

If you have any issues applying through TOPS, please reach out to them  
directly.
